

NEW MEMBER APPLICATION

The Madison Art Society is a non-profit, 501(c)(3) volunteer organization. Our purpose is to promote, sponsor, and encourage excellence in painting, sculpture, and graphic arts among its members, in the community, and in the schools. MAS provides support and exhibition opportunities for artists at all levels of experience in Madison and the surrounding towns.

Volunteerism is the life blood of our vibrant community of creative people, and we invite you to join us in continuing our successful programs by participating. There are many opportunities, large and small, to help out in putting on our art shows, coordinating the winter studio and plein air groups and demonstrations, publicity, membership, and others.

MAS provides interaction within the art community to help stimulate and bring out your creativity.

Join now as an associate member and participate in MAS goals and events. After you've had work accepted in two MAS juried shows within 5 years, you become a full artist member. Both groups pay \$25 annual dues.

Please fill out the form and mail full sheet to MAS, PO 1383, Madison, CT 06443 along with \$25 annual dues.
